Foreword

Each new edition of the Crescent seeks to recall the achievements of another year of life at Minerva High. The purpose of this book is to preserve those precious moments of high school life by presenting a picture of the relationship of our school and community.

Just as the students work together with the administration in activities and classwork, so does the entire school and the community work "Side by Side." Minerva High School depends upon the community for its support and encouragement. In return, the school hopes to provide the community with citizens who have open-minds and new ideas for growth and development.

Among civic-minded individuals who have found means to honor graduating seniors are Mrs. A. F. Gluck and her late husband, who established an award for exemplification of outstanding courtesy.

The senior most outstanding in speech will receive an award this year from Mr. F. B. Cross.

Community organizations which seek to reward achievement are the Lions who have provided a trophy for speech and a bond for the most outstanding history student. The Minerva Local PTA has established a scholarship fund for future teacher candidates; the Junior Woman's Club, a scholarship for future nurses.

The Rotary club, American Legion and its Auxiliary, and the Community Association are appreciated for their contributions which make it possible for juniors to participate in Boys' State and Girls' State.

Other service clubs including the Minerva Woman's Club and the Entre Nous graciously respond to appeals for help from the musical and speech departments when contributions are needed for special projects. They all unite with fraternal organizations, Masons and Eastern Stars, and church groups to improve international understanding by participation in the national American Field Service program.

Merchants support the Athletic Department and school publications particularly with advertising.

In fact, we're proud of our hometown and our schools and have taken this opportunity to show them at work side by side.

Let it snow! Let it snow! Let it snow!

With heartfelt appreciation and esteem, we the class of nineteen hundred and sixty, respectfully dedicate this edition of the Crescent to

MISS JOYCE KAST

who throughout our four years at Minerva High School has maintained a sincere and friendly interest in all of our problems and achievements.

We shall long hold in our memories that friend of high school days who was always willing to help us and to work with us on our various projects.

Her kindness, friendliness, and helpfulness will always be remembered and appreciated. To her we say simply, "Thanks for being by our side during these past four years."

SENIOR CLASS ADVISERS

Standing: Frederick Aeschbacher, Miss Irene Wachtel, Miss Joyce Kast, Donald Lawther.
Seated: Miss Jeanne Grabe.

Day by Day - Helping, Guiding, Advising

Our class advisers, Miss Wachtel, Miss Grabe, Miss Kast, Mr. Lawther, and Mr. Aeschbacher, have contributed much to the success of a happy senior year at MHS.

Miss Wachtel has aided us greatly by her sound advice and scholarly manner. Her wise guidance and deep interest helped us to sponsor the Junior-Senior Prom successfully.

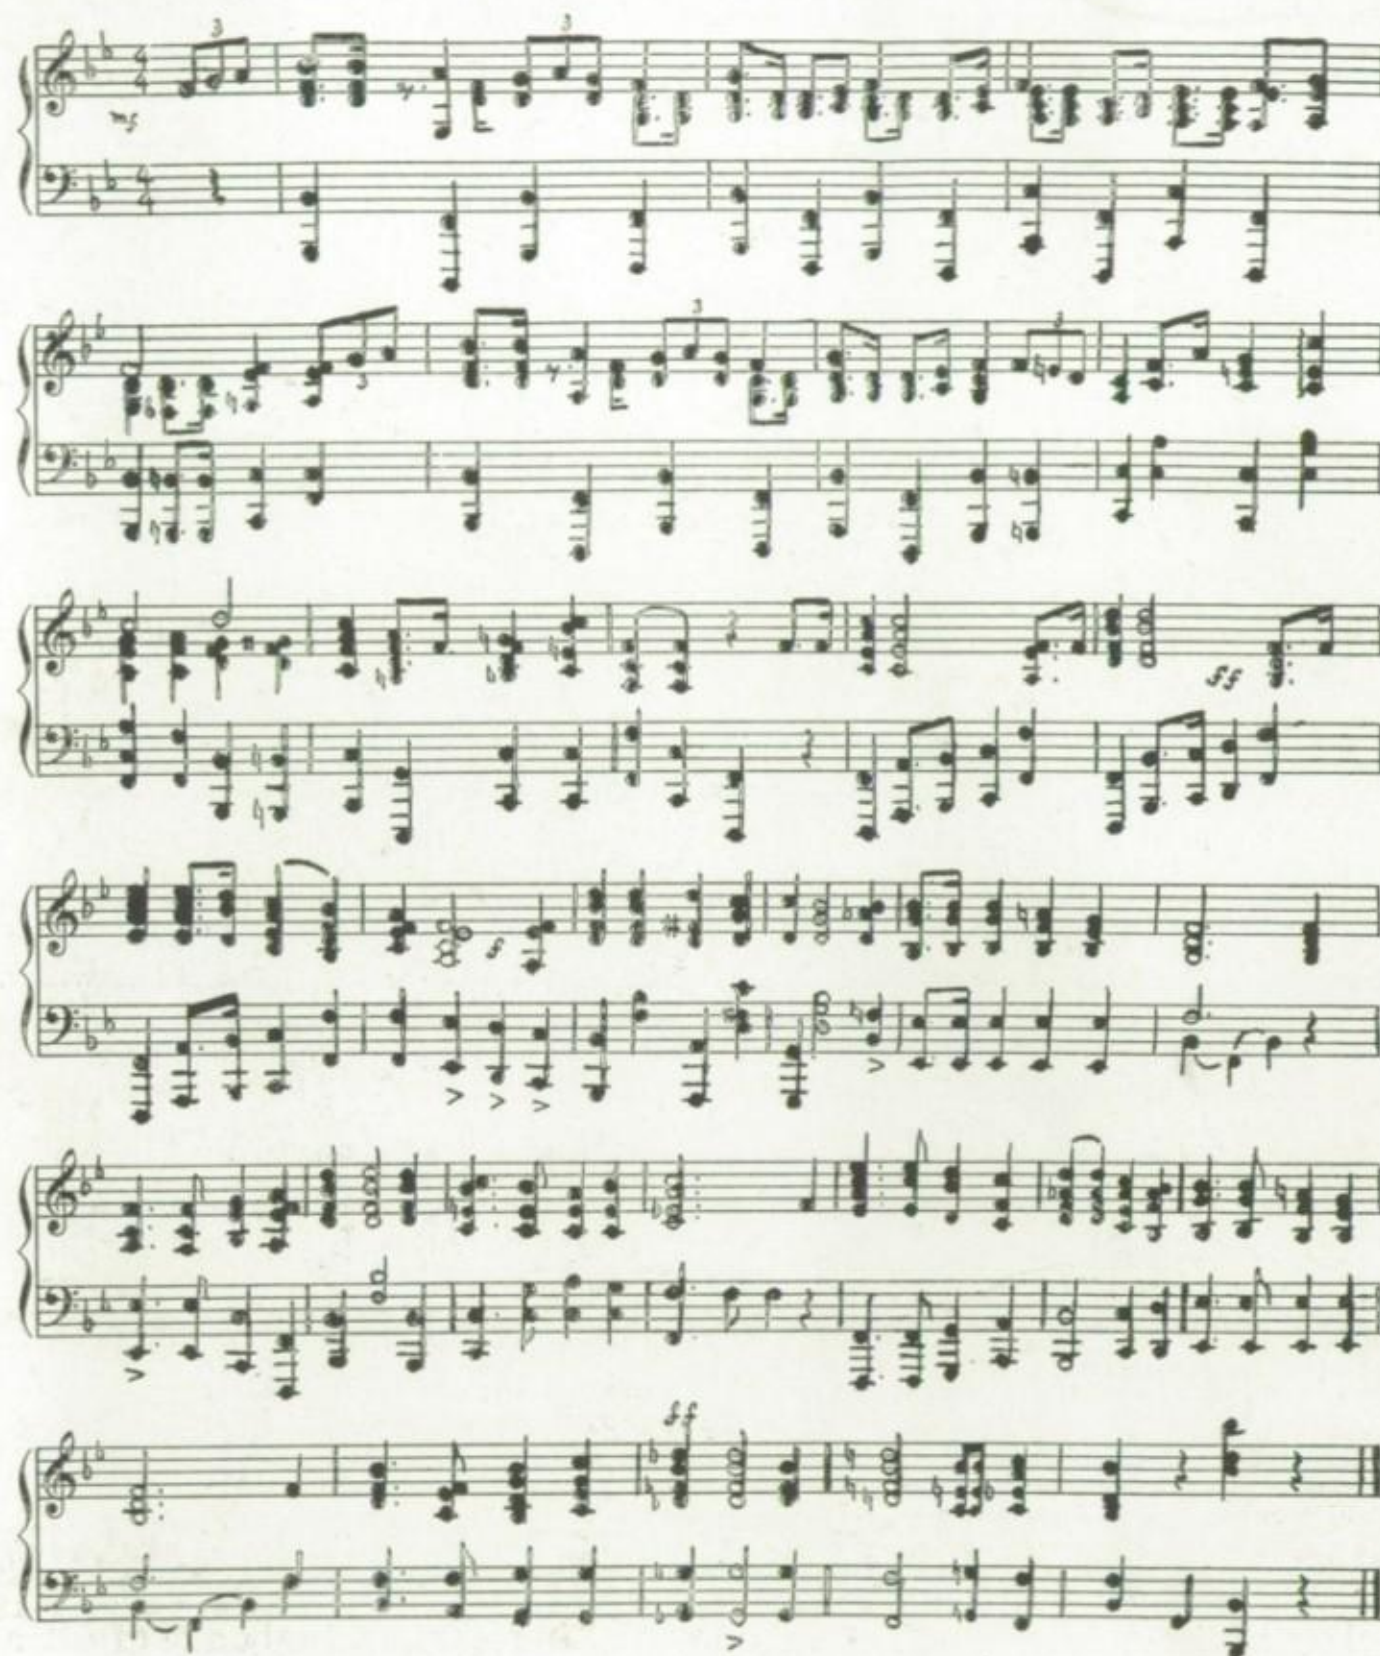

Loyalty, friendship, and guidance are a few of the gifts which Miss Grabe has bestowed upon us. Her encouragement and helpfulness made her a valuable asset to the Class of '60.

Miss Kast, the only one of our advisers to have been with us all four years, has shown us that she is a true friend. With patience she has listened to our complaints; with willingness she has helped us in many ways.

Mr. Lawther certainly has made our senior year a happy one. By bringing his Lion cagers through a most successful season, he has given us many thrilling moments to remember.

Through his willingness to guide and counsel, Mr. Aeschbacher has provided us with many "helpful hints" which we shall use throughout the rest of our lives.

Alma Mater

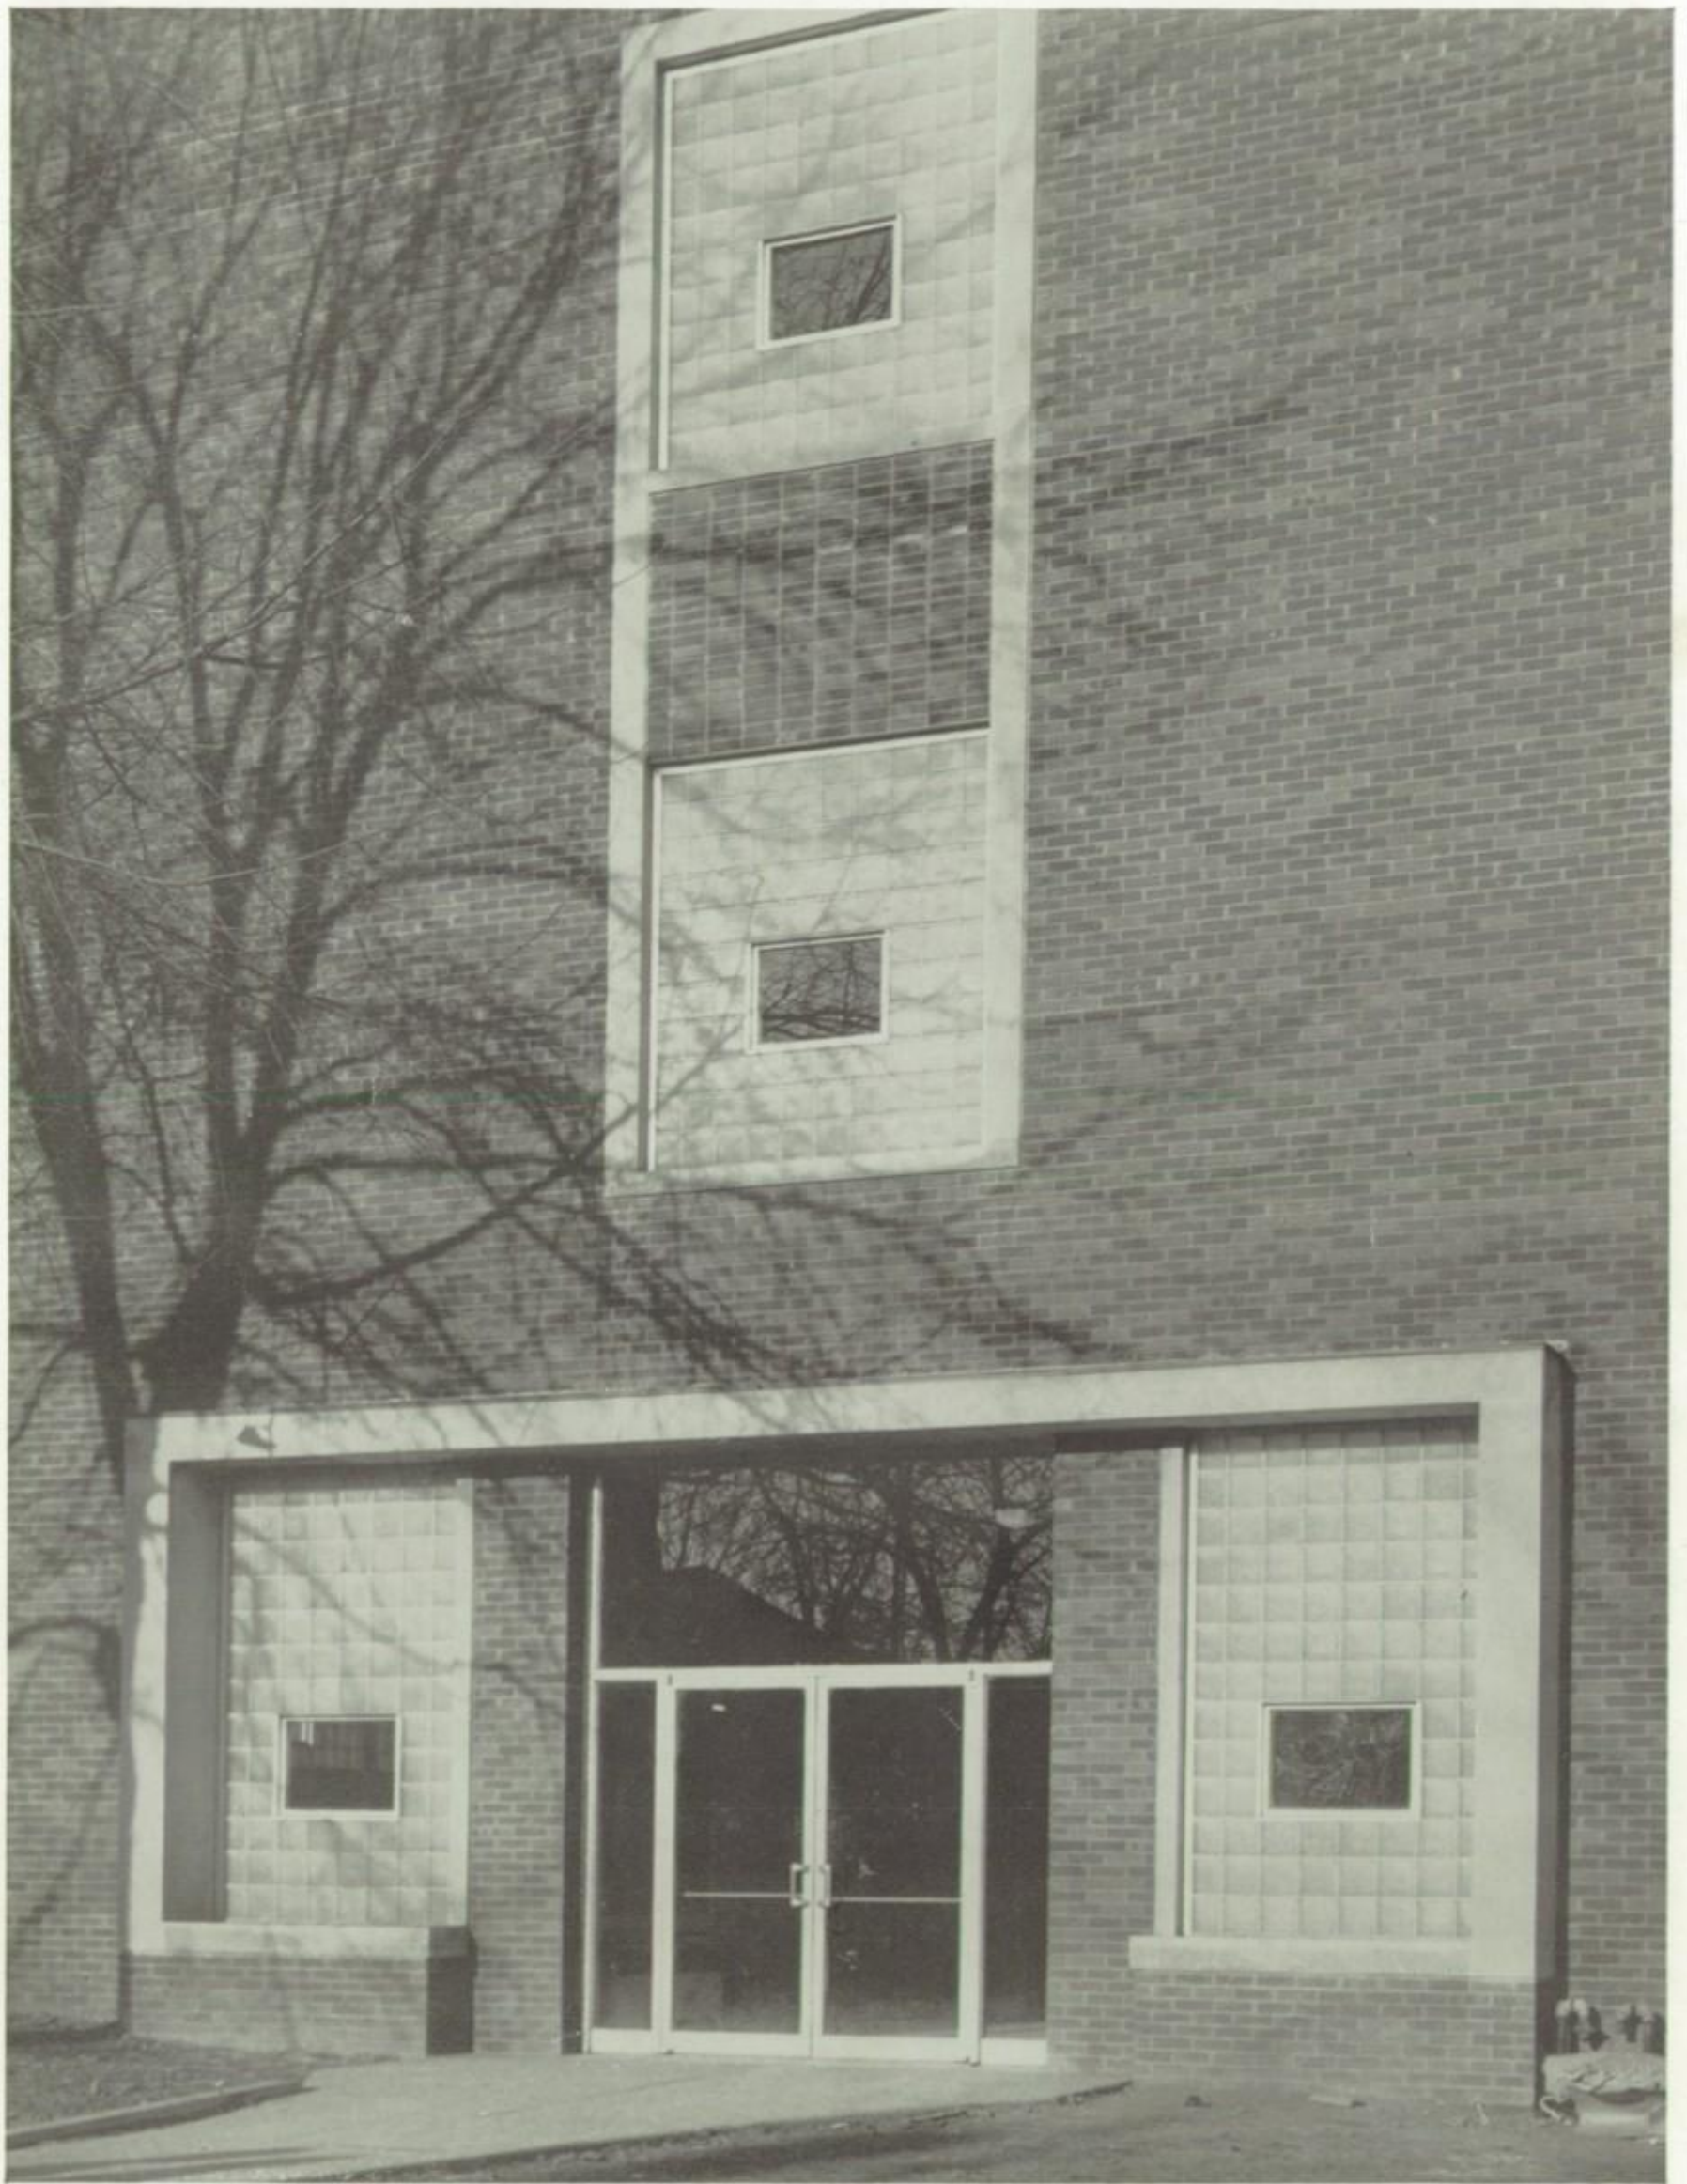

Come all along and sing we a song
Of our Minerva High.
Oh, worthy art thou of fame.
Where age and youth have sought the truth,
And as the years roll by,
Beloved is thy glorious name,
Beloved is thy glorious name.

Ye colors gay, ye crimson and gray,
Kissed by the gentle winds,
In victory floats on high.
And should thy form wrestle with storm,
And then the foe will find.
We'll conquer for thee, or die.
We'll conquer for thee or die.

CHORUS

Oh! Minerva! Oh! Minerva!
Hail to thee, our dear old high school!
Oh! Our Minerva High School,
Our Alma Mater dear,
For thee we'll ever cherish.

For thee we'll ever cheer.
Oh! may we ever prosper;
Our hearts' best wish to thee
Oh! our Minerva High School,
Is for prosperity.

Administrators, Faculty, and Community

Certainly the school is linked with the community via its teaching and administrative staff. Members of the Board of Education are elected by the Minerva area citizens; MHS faculty members have "extra-curricular activities" such as church work, service clubs, and community fund drives.

One of the most important school-community events of the 1959-60 year was

the faculty-sophomore game. Many were the MHS students and faculty members who enjoyed this cage thriller; many were the people of the community who sat beside them and witnessed the 42-41 faculty win. This game was arranged by the sophomore class to raise money for the American Field Service, a national organization interested in the foreign exchange student program. Various Minerva citizens and organizations back the local AFS.

The sophomore and faculty basketball teams pose with members of the American Field Service.

BOARD OF EDUCATION

Standing: Harry Smallwood, Jr., Wayne Irwin, Forrest Kail, vice president.

Seated: Earl Vandegrift, president; Haskell F. Paulding, superintendent; Donald C. Wagner, clerk.

Directors of Our Destiny

The Minerva Local Board of Education extends congratulations to the Class of '60. Each new year brings new and greater challenges to the young people graduating from our high school. This year's class is no exception.

This is the century of the individual, our frontier is the development of man in liberty. Wherever people strive for dignity and recognition we have a frontier.

Wherever men are concerned about their future and well-being we have an opportunity. Wherever freedom and the rights of men are concerned we have a duty.

Your frontiers are bountiful, your opportunities unlimited, and your duty to God and Country an obligation.

Recognize these challenges early and hitch your wagon to a star. The best of luck to you in the years ahead.

Administrator Extraordinary

Governing quietly but excellently, Haskell F. Paulding has served, not only the Minerva schools, but the entire community by giving of his wisdom and ability to help the students and faculty members attain their goal.

His fine attitudes and bright outlook on life have set an example for all who know him.

His unusual interest in the success of MHS students has helped to make a better relationship between the educators and the scholars.

OUR FACULTY

Miss Kast comes all the way from Canton just to help decorate for the "Notes of Love" formal.

Mr. Aeschbacher is a collector of paintings. This happens to be a ship!

Mrs. Logan practices at the organ for an Eastern Star meeting.

Miss Nicholson has a green thumb and takes pride in her beautiful double violet.

Mrs. Carlson, Mrs. Bud Fry, and Mrs. Bob Hanson, Jr. Women's Club members pack baskets of Christmas joys for needy families.

Mr. Iddings and Mr. Carlson act as timer and scorer at MHS home basketball games.

Mr. Gallina has recently acquired a new hobby . . . walking, feeding and drying a brand new son Michael. Also shown is baby's proud Mother.

Miss Wachtel enjoys sewing and cooking. Her chicken salad surely looks mouth-watering.

MAY BE ADMIRIED

Mrs. Reed has many antiques, and she uses them everyday.

Miss Jackson is a member of the library board. With her are Mrs. Leward Hawn, librarian, and Mrs. P. S. Whiteleather, president of the board.

Mr. Sutherin introduces "Buddy" Ytterstad to Lions' president, Leland Crouse.

Miss Hazen, secretary, confers with Mrs. Pickering, president of the Women's Club, on spring meetings.

Mrs. Clark, who plays the piano, also enjoys cooking.

Mr. Lawther looks at Mr. Marcinkowey's "hall of fame" in the latter's recreation room.

Mrs. Thompson, having tea with Mrs. Uhl, adviser of FNC, plans future meetings.

Rev. Ready prepares his Sunday sermon for his New Franklin and Louisville churches.

FOR VARIED INTERESTS

Mr. Nesbitt, kept very busy with farm shop, is also faculty manager of athletics.

Wendell Smith was a traveling science teacher during '59-'60 school term but he still belongs to MHS.

Mr. Paul Bordenkircher's many hobbies include guns, tropical fish, and many self-made molds of his own face.

James Smith helped the Crescent staff mount pictures.

Miss Grabe invites Chess Club members, Larry Hardgrove and Ken Ferris, to a friendly game.

Mr. Welch, besides his many school activities, plays organ in the First Methodist Church, in Alliance.

Miss Altomare, along with Twila Carman and Mr. Smallwood, play in the community band.

Mr. Cassidy, Mr. Lamb, junior members, Jim Hetrick and Charles Dominick, and first vice-president, Erwin Theobald, enjoy Lions' meeting.

The Student Council, composed of all home room presidents, is the central organization of the MHS student association. The main purpose of this group is to provide a link between the students and the faculty.

The council held meetings approximately every two weeks at which various topics were discussed. Plans were made for a school store next year. The possibilities of a student city government were discussed and planned. The council joined

the Ohio Association of Student Councils.

The council held several locker inspections during the year with a five dollar award going to the winning class.

Noon dances, sponsored by the council, were held every Wednesday for the student body. Records or the school's swing band provided the music.

A change in the Constitution of the Student Association was proposed by this year's Student Council. According to the change, which was accepted by the student body, officers for the following year will be elected in April, assuming office in May. This will permit more officers to attend workshops during the summer. The incoming president would be a junior.

Students and Community

Within the walls of Minerva High School the growth and development of the future citizens of Minerva takes place. With the support and encouragement of the community, MHS students grow in knowledge. Because the community helps to provide the equipment, textbooks, and other facilities, scholars at MHS have the opportunity to gain a fine education.

Not only does the community come to us but we also go to the community. Bringing the news of the high school to the community is the task of the journalism class. Each week "HiLites" of the school news are published in the local newspaper. Leonard Boerner and his staff work side by side with the journalists to produce the Crescent in the Leader plant.

Juniors enrolled in journalism class learn about yearbook production from members of the Crescent and printer's staffs.

Where Has the Time Gone ?

As we look back over our four years at Minerva High School, we recall many happy memories.

As freshmen we enjoyed a skating party at the Minerva Skating Rink, and as sophomores we had a very successful dance in the gymnasium.

Our junior year proved to be a very active one. We ran the concession stand at the home football and basketball games. We presented the Prom with the theme "Moonlight Swing." Our junior play was held in conjunction with the debate team, and ran for two nights. The title of this

play was "Arsenic and Old Lace." Our skit entitled "It Could Be You" cheered our team to victory over Louisville.

As we entered our senior year, we chose Ted Isue for our class president. During this year, Borge Ytterstad of Norway joined the class of 1960. We held the annual Christmas dance and presented the Christmas skit which featured Santa Claus and Mrs. Santa Claus. We presented the pep rally for the Louisville game. To complete our senior activities, we presented the senior play. Our commencement proved to be an exciting venture.

"BUDDY"

BORGE YTTERSTAD

Norway

Honorary member—Student Council 4; Hi-Y 4; Debate 4; Future Teachers' Club 4; Christmas dance com. 4; National Forensic League 4; Land 4; swing band 4; pep band 4; Mixed Chorus 4; Boys' Glee Club 4; Robed Choir 4; Sr. skit 4.

In August, 1959, a tall, blond, Norwegian boy came to Minerva. His name was Borge Ytterstad, and he was a representative of the American Field Service. Since that time, Buddy, as he was called by his fellow students, quickly adapted himself to American customs and traditions. His smooth and friendly manner made it easy for him to make friends with both his foster parents, Mr. and Mrs. Karl Summer, and his classmates.

Buddy succeeded not only in the scholastic part of school, but in the social part as well. Among other things, he served as the Football Queen's escort and he traveled with the varsity debate team to Columbus where it won third place in a speech contest.

Throughout the year, Buddy gave speeches about his country and his home life to different organizations.

Before returning to his home in Norway, Buddy enjoyed a three week trip through the United States, sponsored by the American Field Service.

From these candidates pictured here, Charles Dominick and Regina Granger were being considered by the American Field Service for the Americans Abroad summer program. Both were eagerly awaiting news of the choice when the Crescent went to press.

EXCHANGE STUDENT AND CANDIDATES

Back Row: Larry Logan, Borge Ytterstad, Gene Guest, Charles Dominick.
Front Row: Judy Baxter, Pam Hutchison, Regina Granger.

On the trombone . . . with the cymbals . . . at the piano . . . Buddy's got the beat.

JUNIOR CLASS OFFICERS

Gary Elliott, treasurer; Margaret Mahoney, secretary; Paul Binnig, vice president; Pam Hutchison, historian; Chuck Dominick, president.

Active Juniors Do Their Part

Under the supervision of their advisers, Miss Leatrice Jackson, Mrs. Zelma Logan, James Smith, Robert Gallina, and W. W. Nesbitt, the juniors began their first year as upperclassmen.

The class rings were distributed October 28.

The junior class honored the Homecoming Queen and court with a dance, October 17, in the school gymnasium.

A class party was held at the school gymnasium, November 20.

On the evening of October 30, the class of 1961 presented "Brother Goose," a three act comedy, which was produced very successfully.

For the Louisville basketball game, the class had charge of the assembly. The skit entitled, "Louisville Pep Rally," was written by Charles Dominick, with Gene Guest representing Louisville's principal.

To provide class funds, the class had charge of the refreshments at the football and basketball games.

The prom committee consisted of Regina Granger, chairman; Judy Baxter, theme chairman; Marijane Petrucci and Marilyn Adams, decoration chairmen; Linda Stout and Linda Krutel, banquet chairmen; Karen Sue Whitacre, banquet decoration and entertainment chairman. The class did a commendable job for the traditional Junior-Senior Prom.

Biology students examine microscopic matter.

We Climb the Ladder of Knowledge

Today, the world is highly interested in science. Here at Minerva High School we are interested in it, too. In general science we discover the large scope of science and study its various fields. The many students who are interested in this subject may go on into biology, chemistry, and physics. Modern physical science is offered to those who do not take chemistry.

All of these science courses provide the opportunity for students to learn by thinking, experimenting, and solving problems by themselves.

Math is also a "big thing" at MHS. Those students who enroll in algebra class and maintain an interest in math to the last day of solid geometry find that they receive a huge wealth of knowledge.

Those students who take general math, business arithmetic, and senior math make a study of the basic principles of math which are used in business and which are needed in daily life.

"Tomorrow and tomorrow, and tomorrow . . ." were words of Shakespeare quoted by all English IV students as they studied MacBeth. All through the year members of the student body could hear portions of various poems and other pieces of English literature being recited by these literary students.

In all English courses at MHS there is provided an interesting study of many types of literature, words, and English grammar. Also, the English teachers help and encourage students to improve their writing and speaking. And so, there are the research papers, the themes, and the reports to be written and the oral book reports, the recitations, and the speeches to be given.

Translations and strange grammar are upon the minds of many foreign language students. With a Latin background as a feather in his cap, an MHS scholar has a basis for understanding other

We Learn to Live Effectively

languages. His study in Latin affords him a better vocabulary in his own language.

French students are interested, not only in the French language, but also in the people and country of France. After their study in French, students can answer, "Oui," to the question "Parlez-vous francais?"

To gain practical experience in woodcraft and mechanics boys at MHS may take a course in industrial arts. To acquire a good background in farming boys may enroll in the vocational agricultural course and farm shop.

Typing letters and stencils, running errands, and filing are some of the jobs which office practice girls perform. Students in their first years of commercial studies may learn the art of typing, book-keeping, and writing shorthand.

As we study the various courses in social studies, we certainly learn how to live effectively. Whether it be through

history, in which we realize the mistakes and accomplishments of the past, or through the study of the problems and the ways of living of today, we acquire a knowledge which can be used in making our lives better.

Home Economics is a four year course with a different program of work each year. As freshmen, the girls learn the basic fundamentals of cooking and sewing.

The main highlights of the sophomore year include a baking and dinner unit along with more advanced sewing.

In the last two years the emphasis changes to other aspects of home living. In the junior year they study preparation for marriage and child care. As seniors, they concern themselves with housing, home management, and home furnishings.

Some of the highlights of this year's program of work included the preparation and serving of refreshments for Open House, participation in the Cherry Pie Baking Contest and the Betty Crocker Search for the Homemaker of Tomorrow.

Home-ec students study interior decoration and home-management.

In Athletics School and Community

Packed stadiums and capacity crowds in the gymnasiums have proved the interest of the community in MHS sports. Cheering right along side the students and faculty, interested citizens were thoroughly behind the MHS basketball and football squads. From the "Nice game, Coach!" to the loud applause as the teams appeared in the spectators' sight, the MHS sports department truly had many friends.

Led by its competent officers, Ray Hanson, president; Homer Albaugh, vice president; Roland Wolf, secretary; Oscar Brock, treasurer; Dr. John Snively and Jim Hawkins, directors, the Athletic Boosters' Club has sponsored various school events. This active organization arranged such programs as the intra-squad game between the Red's and the Gray's and the All-Sports Banquet.

Members of the Boosters' club stand behind MHS athletes as they have the entire MHS sports program.

Some mighty pretty gals cheer for the Lions.

Varsity Lions . . . Play Spectacular Games . . . on the Gridiron

The 1959 football season marked the first year for Glenn Sutherin as head coach of the Minerva Lions. Sutherin was ably assisted by Don Lawther, Jim Smith, Ed Stevens, and Paul Bordenkircher. The 1959 Lions, captained by Paul Dourm, completed the season with a record of 5 wins, 3 losses and 1 tie. This was the first winning football season at Minerva High School since 1953. Some of the season highlights were as follows:

The opening game of the season resulted in something Minerva fans had awaited for a long time. The Lions crushed Sandy Valley 38-6 for their first victory in 15 games. The contest featured the running of Dourm and Hellyer, the passing of Davison, and the pass catching of Loudon and Wilson.

The outstanding achievement of the 1959 football season occurred when the Lions defeated the East Palestine Bulldogs 14-6. This was the first Tri-County League loss in four years for the visiting Brown and White. The Lion's defensive line was brilliant all evening as they threw back every challenge made by the Bulldogs. The decisive play of the contest took place early in the fourth quarter when, with the score tied, quarterback Jim Davison ran 55 yards for the game-winning touchdown.

The Lions were in contention for the Tri-County League Title until they were defeated by an underdog Poland team. Minerva led 12 to 0 with but 8 minutes to play when Poland caught fire and scored twice to win 14-12 in the last home game of the year.

The last contest of the season pitted the Lions against their traditional foe, the Louisville Leopards. Louisville would have shared the Tri-County League Championship with East Palestine had they won this game, but they had to settle for a 0-0 tie against the Lions. This was the top defensive battle of the year as the Leopards

had sported a high-gearred running attack all season. Hawkins, Gill, Marriner, and Vandegrift were outstanding on the defense as they battled a much larger foe within the shadows of their own goal posts most of the second half.

At the conclusion of the season, Walt Loudon, senior left end, was named to the All Tri-County first team. Honored on the second team were Dennis Marriner, right guard, and Jim Hawkins, center. Honorable mention was given to Captain Paul Dourm, left halfback, and Jim Davison, quarterback.

Freshmen Gridders Seek Experience

Minerva's freshman football team probably had one of the roughest schedules of any previous freshman teams.

Under the coaching of Edward Stevens, the freshman football team, composed of 15 players, began its workouts late in August.

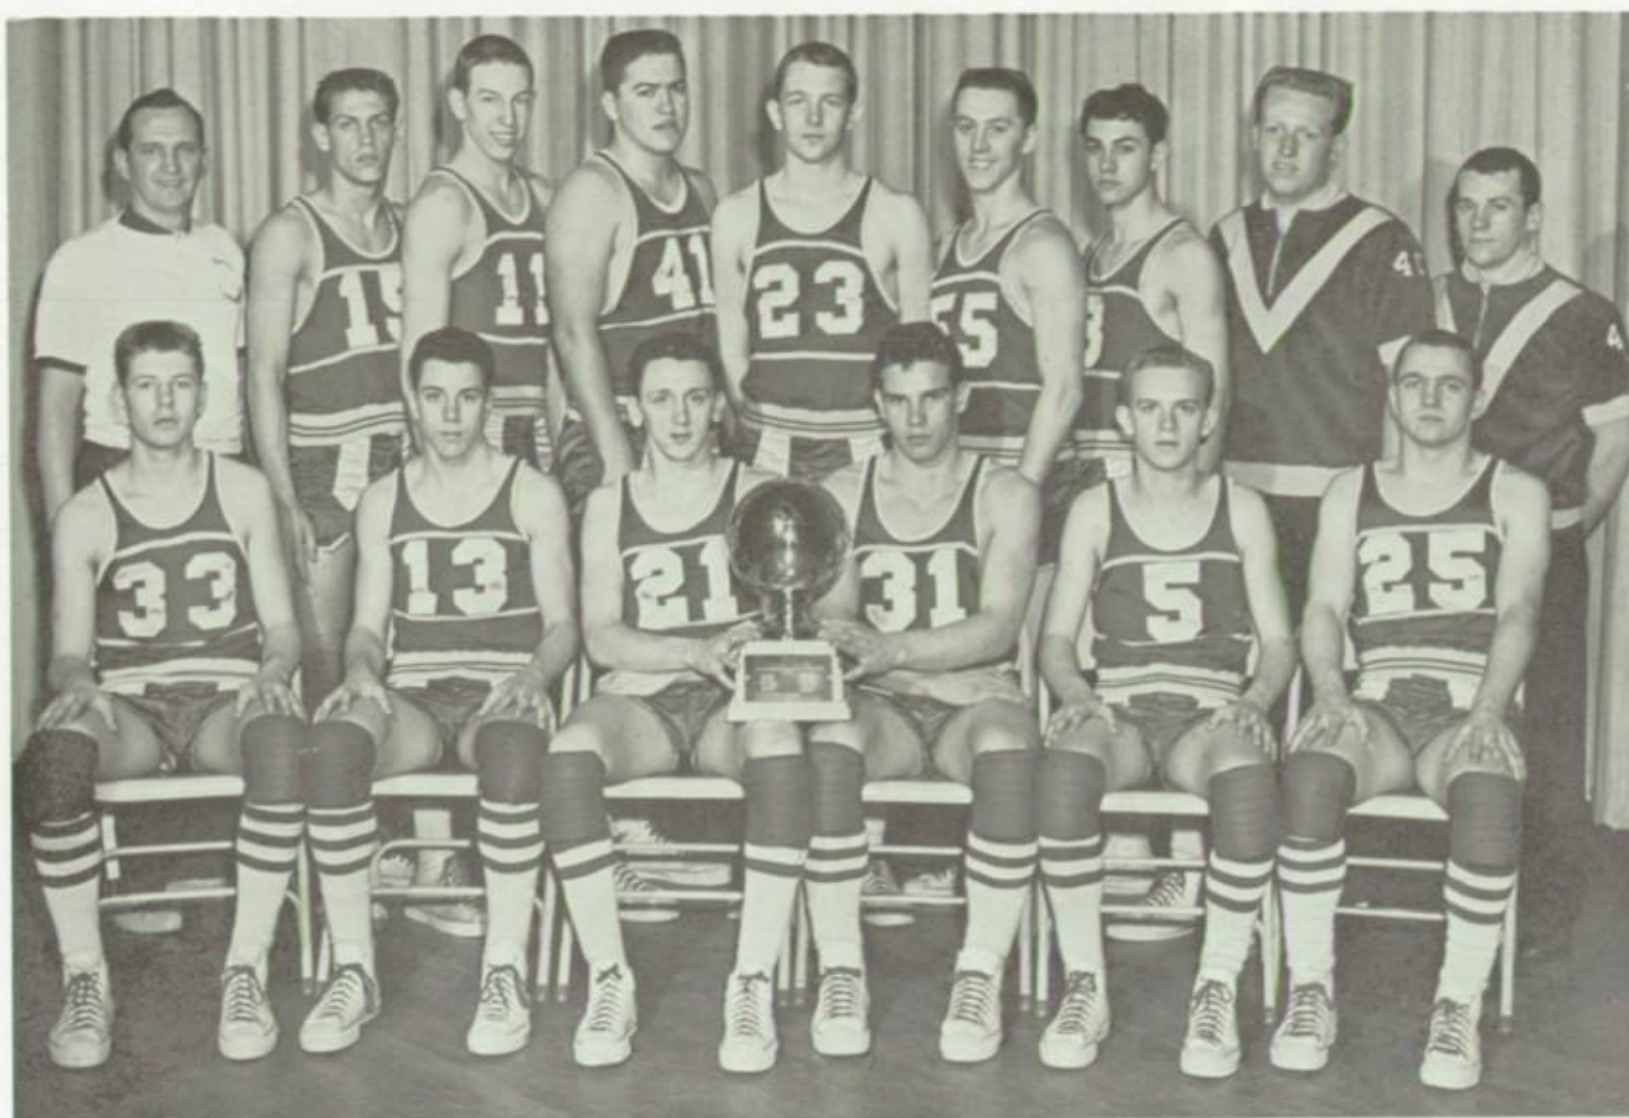

The team was unable to capture many victories, but the experience it received from playing some of these larger schools will help the players in their future years on the varsity.

Larry Simms, Tom Knight, Jim Unkefer, and Frank Haynam played outstanding football for the freshman team.

Lions Prove To Be King Of The Jungle

Coach Don Lawther led the Minerva Lions basketball team through another rugged schedule. In Tri-County play the Lions were undefeated for the second year in a row. In league play Minerva posted double victories over Poland, East Palestine, Lisbon, Leetonia, Louisville, Columbiana, and Sebring.

In Pre-league games Minerva defeated United Local, Malvern, and Perry. Minerva's only loss came at the hands of the Carrollton Warriors. Playing at Carrollton, the Lions lost by one point.

The Lions broke a school record by scoring 1290 points in one season.

They averaged 71.7 points per game while they held their opponents to a 48.4 average.

Minerva finished in second place in the Stark County standings with a 17-1 season record. Canton Timken finished first in the standings with a record of 18 wins and no defeats. Minerva led the county in scoring. Their closest competitor was Timken with 1260 points.

Three of the Lions were among the top scorers in the county. Ronnie Hardgrove, senior guard, was fourth in the county with an average of 19.1 per game. Chris Ferris was thirteenth with a 13.4 average, and Don Miller was eighteenth with an 11.7 average.

In the final associated press ratings, the Lions were rated eighteenth in the State Class AA division.

They Practice Hard, Urge Team to Victory

Few people realize the hard work and many hours our cheerleaders give to their task. This year they planned and enacted many skits—both humorous and meaningful. For the East Palestine game, they distributed suckers saying "Let's Lick the Bulldogs."

Last summer Judie Kae Harsh, Karen Mueller, and Rilla Jane Gill were among the 300 cheerleaders who attended the Smith - Walbridge Cheerleading Camp in Indiana.

Five days of cheering from 7:00 a.m. to 10:00 p.m. was experienced. Other activities were a bonfire, sample pep rallies, and rating contests.

Each morning the cheerleaders had an hour practice session and then appeared before judges to be rated. On the last day the girls worked hard in order to achieve a camp rating; the Minerva cheerleaders received the rating of 3rd best of all the camp.

On Sunday the girls bid their sad goodbyes and started home for the long summer practice sessions to prepare for the coming seasons.

The cheerleaders also attended the annual Glenwood Cheerleading Clinic at Glenwood High School in October.

Lions Claw Tri-County League

N. E. O. Tournament

February 26—Minerva traveled to Alliance to play their first game in the tournament. Their first opponent was Goshen Union, whom they defeated 71 to 58. Ron Hardgrove was high scorer with 16 points. Walt Loudon and Don Miller each added 15 points.

March 1—Before 2,478 fans, Minerva posted their second win in tournament play over the Sebring Trojans by a score of 50 to 42. Chris Ferris led the way for the Lions with 16 points.

March 4—In the finals of the Alliance Class AA tournament, Minerva defeated the Sandy Valley Cardinals 62 to 50 for the sectional championship. They then advanced to the district tournament at Canton. Ron Hardgrove was the leading scorer for the Lions. He scored 30 points.

Coach Lawther accepted the championship trophy on behalf of the team after the game.

District Tournament

March 10, playing before 5,213 fans at the Memorial Fieldhouse in Canton, Minerva was defeated by the State's third-ranked Timken Trojans 69-51 in the district tournament.

Minerva proved to be a rugged contender for the Timkenites. The Lions were leading 23 to 14 in the first quarter, and the score was 33 to 33 at the halfway mark. At the beginning of the fourth quarter, the score was 46-42 in favor of Timken. Timken went ahead in the fourth quarter to defeat the Lions by eighteen points—the season was over. The Lions ended the season with a 20 win 2 loss overall record.

Ronnie Hardgrove, senior guard, and Chris Ferris, forward, received first team berths on the All-Suburban team. Don Miller was named to the second team. In the Tri-County All-Stars, Ron made the first team while Chris placed on the second. Ron Hardgrove also received All-Ohio honorable mention.

Come on Chris, you can do it! . . . Come on Ronnie—Let's go, Let's really go! . . . Shoot it, Walt! and make the score go up another notch.

Cubs Provide Thrillers, Play As Champions

The Minerva Reserve team is to be congratulated for their fine season. Perhaps the two most thrilling games of the season were the ones played against Louisville and Poland. Minerva battled Poland in an overtime and won 45 to 43.

The Louisville game was one of the greatest games played by the reserves. With one second to go, and the score 50 to 49 in favor of Louisville, Gary Elliott made a foul shot which tied the score 50 to 50. The game went into overtime, and Minerva was able to win 56 to 55. This ended a 13 game winning streak in Tri-County competition for Louisville.

The Cubs posted victories over United Local, Malvern, Perry, and Carrollton in non-league play. In Tri-County play they posted double victories over Poland, Lisbon, Leetonia, East Palestine, and Sebring.

The Cubs were defeated once by Louisville and twice by the Columbiana Clippers.

Hard Workouts And Lots Of Running

The following track meet reports are from the 1959 season.

Minerva's trackmen started their workouts in March to prepare for the 1959 season. Coach Lawther is expecting a fine season from the team since there are 11 lettermen returning from last year's team.

For the 1959 season the track team compiled a record of 2 wins and 2 losses.

The lettermen for the 1959 season were *Dennis Marriner, *Pat Garland, *Gail Vandegrift, *Jack Allen, *Paul Dourm, *Walt Loudon, *Wayne Albright, *Ted Isue, *Ray Hellyer, *Dewey Russell, *Larry Gill, and *Chuck Wilson.

In Activities School and Community

With the many extra-curricular activities, scheduled to help the students to grow socially, MHS has a fine program to help the students become well-rounded individuals.

The community enters into almost all of these school activities. Groups such as the Hi-Y and Y-Teens are affiliated with YMCA and YWCA respectively; members of the band have the Band Boosters to

provide them with activities and needed equipment and to give them refreshments on a cold football night. This year the Band Boosters sponsored a Specs Howard record hop for the students of the Minerva area.

The band and chorus groups provided several nights of entertaining for both school and community people as did the various speech and dramatic programs which were presented.

Band Boosters, parents of band members, stage a Specs Howard record hop for students.

One of the biggest honors a junior or senior can receive is membership in the National Honor Society. The Minerva chapter of the National Honor Society started in 1937.

This society upholds four ideals which

are scholarship, leadership, character, and service.

First semester officers conducted a formal initiation for six new members during the first semester. These new members were Jackie Bille, Jim Crouse, Judie Harsh, Jim Hetrick, Linda Labus, and Pat Lutz. At this initiation, Miss Wachtel, the adviser, was made an honorary member. The members felt that she fulfilled all the qualifications of the society and had been an inspiring guide to them.

In the Spring the society conducted a formal initiation of both seniors and juniors who were elected during the last semester. This initiation was held at a party which was attended by students who were on the semester honor roll. Malvern NHS members were invited, also.

Members of the National Honor Society were distinguished by gold tassels at commencement.

The Minerva High School chapter of the National Forensic League, participating in the Eastern Ohio District speech contests and the Stark County Literary contests, again had a successful year.

The various events entered included debate tournaments, original oratory, humorous declamation, oratorical declamation, and boys' and girls' extemporaneous speaking. In addition to these, Minerva was represented at the October discussion conference at Glenwood High and the Student Congress at Wadsworth.

During the debate season, various honors were won by Minerva speakers. On November 21 at Louisville, "B" division debaters tied for second place. Borge

Ytterstad, Todd Smallwood, Judi Kurfiss, and Charles Dominick tied for first place in "A" division at Wadsworth on December 5 and tied for third place at Wooster on December 12. At home on January 11, Todd Smallwood, Gene Guest, Sandra Allen, and Richard Moore retained the "B" division trophy with a perfect six win no loss record.

The "A" team earned the opportunity to attend the State finals at Columbus by winning second place in the county contest held at Louisville with a record of five wins and one loss. At the NFL District Competition the varsity debaters qualified for quarter finals in which they suffered a loss to Massillon.

At state finals March 18-19 Minerva finished in a third place tie with Wadsworth. The team, composed on the affirmative of Gene Guest and Borge Ytterstad and on the negative, Judi Kurfiss and Chuck Dominick, was beaten in the semi-

finals by Cincinnati Princeton, the State champs. The team had a record of four wins and two losses.

Jerlette Nolan and Sandra Allen also earned the right to participate at the state contest in girls' extemporaneous speaking. They both participated in two rounds.

Highlighting other events of the season were two first places in original oratory, 16 firsts in extemporaneous speaking, two firsts in oratorical declamation, and one first in humorous declamation. In the Stark County Literary Contest, Jerlette Nolan won first place in girls' extemp and Sandra Allen was third. Charles Dominick and Judi Kurfiss both achieved superior ratings in poetry reading.

At the district Student Congress Minerva continued its excellent record. Charles Dominick received a gavel as best presiding

officer in the Senate. Sandra Allen was nominated by the coaches as one of the six best speakers in House "A". Borge Ytterstad also of House "A" was nominated from the floor to represent the District at the National Congress, but failed to receive a majority of the votes.

Each year the Minerva Lions Club sponsors the Junior-Senior Debate. The winners earn the right to have their names and class engraved on the large trophy presented to the team.

Tryouts are held each spring, and three participants are chosen to represent each class. The seniors are given choice of sides, and the juniors must conform. Participating in this year's debate were Charles Dominick, Todd Smallwood, and Gene Guest, juniors; Borge Ytterstad, Sandra Allen, and Judi Kurfiss, seniors.

Juniors Enact Brother Goose

A three-act comedy by William Davidson, entitled Brother Goose, was presented by the Junior class on October 30. The play was under the direction of Charles V. Carlson, assisted by student director Pam Hutchison.

The plot is one of an eldest brother who takes over a younger brother and two sisters; Wes, Carol, and Hy. Wes has one main interest—girls. Carol is a normal fifteen year old with a passion for limerick contests. The youngest, Hy, is an impetuous tomboy.

Brother Goose is holding the family together by his ability as an architect. He has various plans for different buildings. However, a girl, Lenore Hudson, also has plans for him. Hilarity results when the family clashes with her. Then another girl, Peggy, appears and wins the children's hearts. The ensuing personality clashes are uproarious.

Finally, the proper girl is paired with Jeff; Wes finds his true love; and Hy, the tomboy, shows signs of improvement. Poor Lenore is left in the cold.

Further support was lent by Mike Yeagley, Larry Campbell, Tom Casale, and Doug Biggins, who served as stage hands. Eileen Perry, Judy Baxter, and Carolyn Ambler were the make-up committee.

Seniors Present Cloud Seven

The class of '60 selected this three-act comedy by Max Wilk for its play.

Humorous situations develop as Newt Reece resigns from his highly respectable job. His wife, Mary, insecure and worried for the future, doesn't understand why he quit; his vivacious daughter, Sally, does understand. He felt that the job had nothing to offer.

Of course, the whole town is curious about his radical behavior. The PTA, Sally's boyfriend Russ, the neighbors, banker, maid, and laundryman all are inspired one way or another. As the situation develops, Newt's former employer comes to persuade him to rejoin the company, but is supposedly unsuccessful.

However, by the next morning Mary convinces Newt that he is duty-bound to return. He does; only to resign a second time. By this time, Mary has come to realize that she must accept him as he is. Besides, he has marvelous new plans for

preserving foods without robbing them of their tastiness.

Most humanly presented, the play was characterized by the reality of its setting. It was enacted on April 29 under the able direction of Mr. Charles V. Carlson.

Come All Along . . .

As the rich voices of the Minerva High Mixed Chorus swell to the music of our Alma Mater, they certainly reflect the harmony that is present in the entire school and also the smoothness that they hope for in the future.

In addition to the larger groups of the vocal department, there are some smaller divisions. The Robed Choir, two Boys' Ensembles, two Girls' Ensembles, the Mixed Ensemble, two Boys' Quartets, and combinations of these make up the list of selected groups.

The entire vocal department gave two public performances during the 1959-1960 season. The first was its Christmas Candle-

Light Concert presented with the instrumental department on December 18. Among the highlights of the program were the candlelight processional and the performance of 'O Holy Night' with harp, organ, piano, and Grade School Boy Choir.

The Spring Festival on May 27 was again a novel show and was well received by the audience. Having a more serious side, a minstrel show and ball-room dancing was combined to provide a variety of entertainment.

The Stark County Music Festival was attended by the entire Mixed Chorus which sang in the 1200 voice mass chorus. Joyce

Kocher, Sandra Brenner, Janet Wunderle, Mary Jane Blanc, Fred Edwards, Larry Hardgrove, and Edgar Eick were selected to sing in the Select Chorus of the festival.

Two Boys' Ensembles, two Girls' Ensembles, and the Mixed Ensemble attended both the Stark County and the Ohio Music Educators' Association District VIII Solo and Ensemble Contests. These groups received ratings of Superior, Excellent, and Good at both contests. Ted Isue, Fred Edwards, Kenneth Ferris, Janet Wunderle, and Dawn Moody represented the vocal department in the solo division of the contests and also received ratings of I, II, and III.

One Boys' Ensemble, the Mixed Ensemble, and soloists, Fred Edwards and Ted Isue attended the OMEA State Final Competition on April 10.

The Boys' Glee Club participated in the MENC competition held at Carrollton High School. The Group was awarded a Superior rating for the second consecutive year.

The various groups participated in the Thanksgiving, Christmas, and Easter Assemblies, Baccalaureate, and Commencement.

The ensembles also sang for several of the service clubs in the area.

Long Practices, Hard Drills Make Good Music

Heralded in by the brilliance of a bugle fanfare, the Minerva Lions Band paraded through its successful 1959-1960 season. This year the precision group was again invited to the Massillon Band Show at Washington Stadium, proving the high caliber of the organization.

The band's season began with its participation in Minerva's Homecoming Parade. The marchers gave an outstanding performance at the Stark County Fair's Band Day, and received many favorable comments and much applause from the crowd of spectators.

All Lions' football games were attended by the all-class, co-ed band. Pre-game introductions were performed and half-time shows were presented for the enjoyment of the fans.

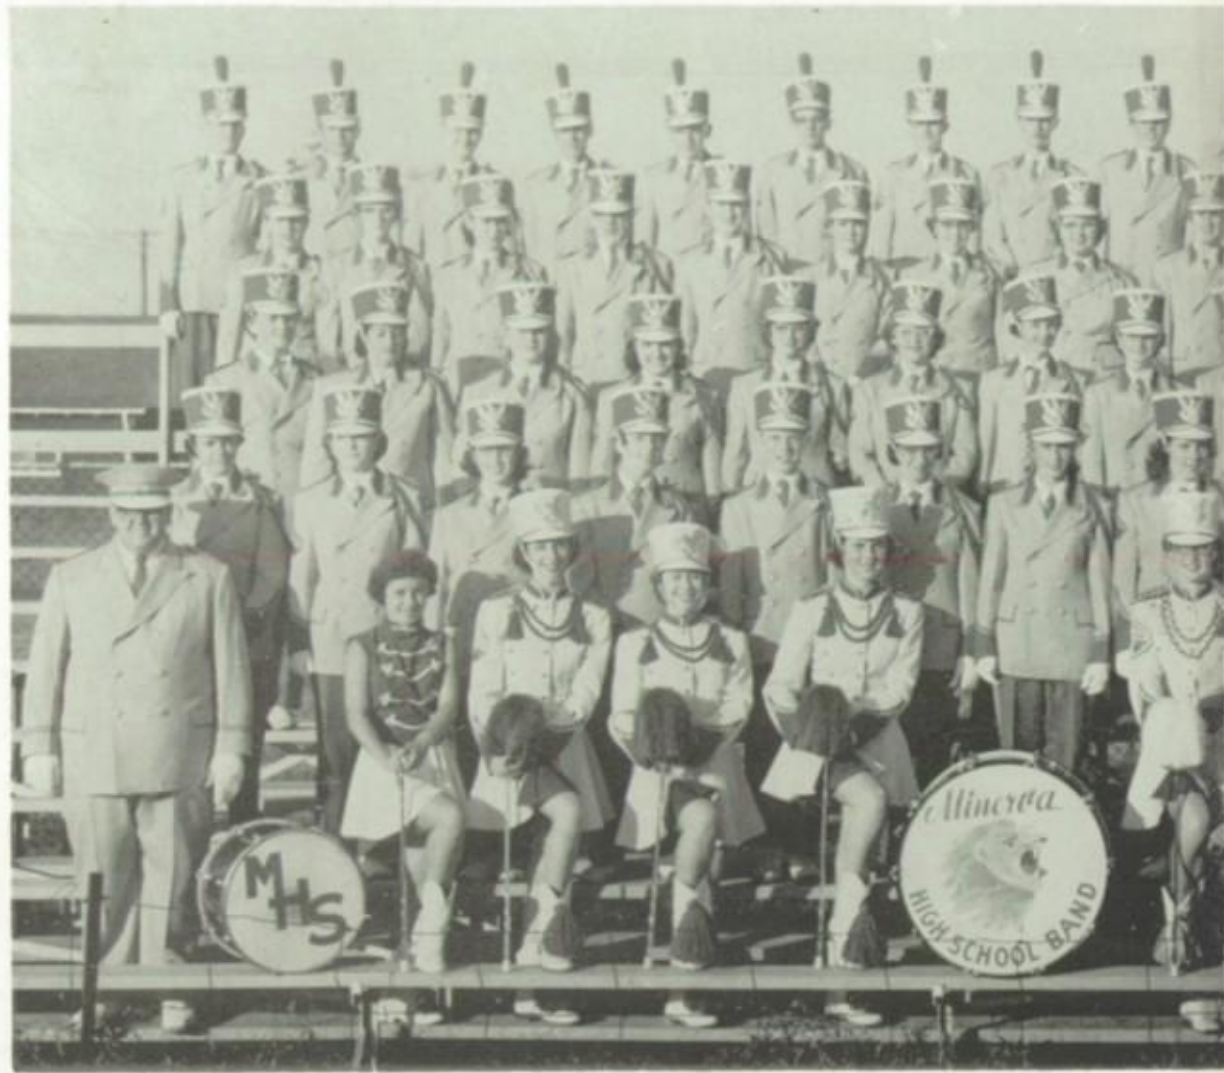

Under the direction of Mr. Lamb and assisted by John H. Schaffer, the band presented many unique shows throughout the season which kept the performances interesting to watch. Outstanding thrills were added to the shows by the majorettes' skill

in twirling fire batons as a unit, led by head majorette, Jackie Bille.

Among the band's fine performances were a "hat show," featuring the majorettes in a dance routine, a "beatnik band" show featuring the band's exhibition of the contrast between a "square" band and a "cool" band, and the band's demonstration of stereophonic sound-three speakers, no

less! Along with these interesting themes the band presented many new dance steps and difficult renditions of precision marching. The finale of every show was the formation of the letter "M" and the playing of the Alma Mater. The seniors were recognized at the last home game.

This year the band boosters purchased 100 all-weather coats for the band mem-

bers and directors. A "tag day" was held on which band members in uniform, assisted by band boosters, solicited on the streets and from house to house to raise funds necessary to buy the coats. These coats offer a large amount of protection to the uniform underneath and will greatly lengthen the uniforms' life. These fine coats will be put to good use in future marching seasons.

This year the band held its annual calendar drive to procure funds for the instrument and uniform fund. Band members sold calendars from house to house and were received favorably.

The band participated in the Decoration Day Parade, which was the last performance of the Minerva Lion's Marching Band for the 1959-1960 season.

During the summer previous to the school session, key band members attended various summer band clinics, the majority of the members attending Baldwin-Wallace Summer Band Clinic. These people received partial scholarships from certain clubs in Minerva. The students that attended these and various clinics throughout the year aided the band a great deal with the knowledge they received.

You Hit the High Notes . . .

After the last football game, when the drums, cymbals, batons, cap lights and whistles had been packed away in their places until next season, the dusty concert instruments and music stands were brought out and the loud marching band began the long conversion to a concert band. The first formal presentation of the Concert Band was on December 18, at the annual Christmas Concert, in which both the band and choral departments took part.

On February 22, the entire band went to Canton to participate in the Stark County Music Festival. There Minerva's 100 member band united with the other bands of the county to create the 1,400 piece mass band that performed for the pleasure of a capacity crowd in Memorial Auditorium.

Janice Guest, Lowell LaFever, Phil Ferguson, Janet Morehead, Robert Hockenberger, and Kenneth Ferris were chosen to represent Minerva in the 150 piece Select Band of the Festival.

Several members of the band attended music contests during 1960. The Stark County Contest and District VIII Solo and Ensemble Contest was attended by a great many students in both solos and ensembles. The ratings received by these participants ranged from a superior or I rating to a good or III rating.

A select concert band entered the MENC Contest for bands and choruses. The group rehearsed every day and some evenings as well.

The outstanding event for the entire Concert Band was the annual Spring Concert held on May 6. Many seniors were featured in the various numbers of the concert.

The most important social activity of the concert band was the military ball held on April 30. The band members enjoyed a banquet in the cafeteria and then they and their guests spent the evening dancing in the auditorium.

The Hi-Y is a voluntary club program for boys in the tenth, eleventh, and twelfth grades of high school, sponsored by the Young Men's Christian Association. The Hi-Y movement is international in scope. Christian in emphasis, interdenominational in character, and democratic in practice.

The purpose of the Hi-Y is "to create, maintain, and extend throughout the school, home, and community high standards of Christian character."

The four practices of the Hi-Y program are clean speech, good sportsmanship, good scholarship, and clean living.

Any boy in the upper three grades of high school who accepts the purpose of Hi-Y and who earnestly desires to live up to Hi-Y standards is eligible for membership.

The Hi-Y functions best when it helps its members to (1) develop personal integrity and self-discipline; (2) develop a growing sense of personal worth based on Christian concepts and values; (3) perform useful home, church, school, and community services; (4) prepare for the responsibilities of the future; (5) practice democratic methods; (6) co-operate with other groups to achieve worth-while objectives.

... Better Men Tomorrow

To make a club successful its leaders must have keen vision, broad insight, and a thorough understanding of the needs of the group and of the community in which the group functions.

First major project of the Minerva Hi-Y was the building of the bonfire for the Louisville game.

On December 5 the club had a Beatnik dance with persons attending dressed in appropriate costume.

Two members of the Minerva club held offices on the county Hi-Y-Tri-Hi-Y council. Chris Ferris served as president; Roger Stafford as vice president. The council met to develop ideas for club programs and projects.

Jim Hetrick and Chris Ferris, representing the local club, served on the model

legislature which ran the state government in Columbus for three days. This is all a part of the youth and government program of the Hi-Y.

The Minerva Hi-Y participates in the Hi-Y Basketball League at the YMCA in Canton during the month of December, January, February, and part of March. The local Hi-Y had both a senior and junior team.

The members on the senior team were as follows: Larry Gill, Gail Vandegrift, Gary Hunter, Ray Hellyer, Roger Stafford, Paul Dourm, Jim Hawkins, and Larry Stoffer.

The junior team consisted of the following boys: Dale Liston, Robert Murray, Tom Casale, Charles Hawkins, Mike Lee, Mike Yeagley, Bob Hockenberger, Don Hillyer, and Jim Simms.

After an inspiring week of summer conference at Otterbein College, Janice Guest, Sandra Allen and Miss Kast brought a wealth of ideas to the first Y-Teen executive meeting held at Kibler's Landing on Guilford Lake in August. Following a swim, the girls enthusiastically set up a tentative program for the year and then gathered around the table for a picnic supper.

The year's program got off to a good start for the Y-Teens who invited all prospective members to a mixer in the gym the first week of school. "Big sisters" adopted "little sisters" from those who

were new to the group. A popular group game was the scavenger hunt through pocketbooks for required items.

Still an earlier activity of the club was selling forget-me-nots for the Disabled American Veterans.

In October, the Recognition Service was held for approximately 150 girls and their mothers. Here the members were formally admitted to the club. The old members had blue candles and the new members had white candles from which they became a light in the club.

Miss Flora Chow, of Formosa, an exchange student from Mount Union College, contributed much pleasure to the program by telling of her life in her home country.

The girls sold canned nuts during October and November and also sponsored a bakesale as their money raising projects.

Judie Kae Harsh and Janice Guest represented the club on the Fourth Annual United Nations Study Trip to New York. Such diversions as touring New York,

visiting the UN Building, dining in a Chinese restaurant, and attending a YWCA Conference were enjoyed.

Cupcakes for two, handsomely decorated, were used for the cakewalk in connection with the Sadie Hawkins Dance for members and guests in November. An inert scarecrow seated on straw in the center of the floor provided much speculation during the dance and came alive at the close of the evening to dance with the "Disc Jockey."

During Christmas vacation, the girls had a party in the high school cafeteria for the children from the Fairmount Home. Gifts were presented to each child.

Future Nurses and Future Homemakers were co-sponsors of the annual Y-Teen formal February 13 in the gym. Each couple placed its "Notes of Love" on a large music staff which decorated one wall. Appropriate song titles, written on a white background by Jerry Henson, further carried out the theme. The advisers were presented with flowers.

Programs at the monthly meeting included a film, "The Diary of an American

Girl," a talk by Mrs. Jane Skinner from Skinner's Modeling School, of Canton, and a talk about Norway by Borge Ytterstad, our foreign exchange student.

The music department assisted the Y-Teens with the Easter Assembly.

Those who hope to enter a nursing profession may join the Future Nurses Club. The members become acquainted with various types of nursing through guest speakers and individual reports.

Future Nurses' pins were awarded to those members who completed one year in the club.

Leroy G. Bartley of the American Cancer Society delivered a talk concerning

the purpose and services of the society. Members of the club folded cancer bandages on two occasions in November. A movie, "Helping Hands for Julie," was shown at one of the monthly meetings.

Contributions of money and food baskets were given by the club to needy families at Christmas and Easter. Voluntary members helped the Y-Teens entertain children from the Fairmount Childrens Home at Christmas. The entire club was invited by the Y-Teens to participate in a formal dance in February.

The Junior Women's Club of Minerva for the first time offered a \$200 Nursing Scholarship to a qualified member of the Nurses Club.

The members of the Future Homemakers of America participated in many activities this year. The Eighth Grade Tea, a tradition at MHS since 1948, was held in April. At this time the FHA girls presented a program, acquainted the girls with the high school by conducting a tour, and served refreshments. FHA girls also held a Mother-Daughter Banquet and a Teachers' Luncheon.

Among the many other functions of the club, a progressive dinner and roller skating party was enjoyed on November 13th.

A new activity of the chapter was the sponsoring of the "Notes of Love" formal along with the Y-Teens and Future Nurses. The FHA members prepared and served cookies and punch for refreshments.

Money-making projects of FHA were the delicious candy apples sold after school and at home football games and the making and selling of candy at Christmas.

To conclude the year, the girls had a combined installation of officers and a degree recognition ceremony with their mothers as guests.

The Minerva Chapter of the Future Homemakers of America is affiliated with the county, state, and national organizations.

Minerva was represented on the county level with Dora Mae Snyder serving as president. The local chapter was hostess for a county meeting November 17.

Alice Slider and Barbara Lowmiller were chosen to serve as voting delegates at the State Convention in Columbus, April 22 and 23. Carolyn Ambler and Donna Stoffer will attend State FHA camp at Camp Muskingum near Carrollton in August.

The Minerva chapter participates in the degree program. This includes the Junior Chapter, and State Homemaker Degrees. The girls must show growth as individuals, as members of the home, school, community, and chapter in order to obtain each degree.

The Junior Degree was earned by Sarah West, Mary Helen Clapper, Linda

Lowmiller, and Roberta VanPelt this past year.

The second degree, Chapter, was earned by Sally Johnston, Polly Miller, and Carolyn Ambler.

For the first time in the history of the Minerva Chapter, Mary Haynam and Dora Mae Snyder worked for and received their State Homemaker Degree. It is the highest honor in FHA. They attended the State Convention in April where they were honored at a banquet and presented the symbol of the degree, the Torch.

The past year proved to be very challenging and entertaining for the 30 girls.

The Future Farmers' activities or yearly program of work is started March 1 of every year.

In April of 1959, the FFA members planted several thousand pine trees for reforestation projects. Also in April, the FFA entered the District Soil Judging Contest. This contest was held at United Local. The following members participated: Dwaine Eick, Gary Ray, Delbert Aeling,

Dale Munk, and Richard Snyder. Minerva received third place in this contest.

In June of 1959, the Minerva FFA Chapter entered the State Dairy Judging Contest. Those on the team were as follows: Gary Ray, Sam Figley, and Howard Snyder. Also in June, Dwaine Eick and Gary Ray went to the State FFA Convention as delegates from the Minerva Chapter.

In December the FFA participated in the District Parliamentary Procedure Contest held at Scio. In this contest Minerva received a Gold rating. The members who participated were as follows: Dwaine Eick, Larry Brogan, Gary Ray, Dale Munk, Richard Snyder, Paul Dourm, Richard Mong, Edwin Gram, Sam Figley, Jim Crawford, and Howard Snyder.

The Minerva chapter of the Future Teachers of America completed a very successful year. Having only 27 members last year, this organization raised its membership to 57 persons— all juniors and seniors interested in the teaching profession.

Initiated into the Prospective Pedagogue's program this year was the point system. The students earn their points by serving teachers in the school or in the church or by working with various community organizations such as the Boy

Scouts and the Girl Scouts. A student must serve approximately one hour to earn one service point. They earn points by assisting the teacher in experiments, by teaching classes in both the high school and the grade school, by grading papers, by typing and filing for teachers, and by observing in the different primary grades. Twenty-five members earned thirty or more points which entitled them to wear the silver FTA pin.

At the end of each year the senior with the most points and the club's approval will be named "Future Teacher of the Year." In the club's first year, the honor went to Joe Smalley, the first President of the Minerva Chapter.

The two top contenders for the honor this year were Ted Isue and Linda Labus.

The Chess Club was organized early in the school year of 1958-1959 by a group of students who had developed an interest in chess. The purpose of the club was to stimulate an interest in the game and to provide an opportunity for the students to become better players.

The club meets during the regular club periods at the school. Once a month the club has an evening meeting at the home of one of its members or advisers. The students have parties on special occasions.

The main event of the year for the club is the tournament which is held each spring. The first tournament was held in May, 1959. Larry Hardgrove won first place. He was awarded the permanent trophy. This year the tournament was held on April 9 and 16. Two trophies were awarded, one for first place and one for the runner-up.

Several of the students represented the Chess Club in other tournament competition.

Meeting Deadlines Keeps Them Busy

After learning to read newspapers more intelligently and studying the correct methods of gathering and writing school news for the community newspaper, the beginning journalists brushed up on spelling and set out on their assigned beats. They acquired a sense of responsibility for school news coverage and learned that clear thinking, clear statement, accuracy, and fairness are fundamentals of good journalism.

They had stiff competition from busy faculty members who sometimes preferred to ignore the beginners and meet early deadlines with their own well-written copy.

The study of journalism is in itself a liberal education. Professional newspapermen and women must have a broad education and mature judgment.

Work on the school news bureau enables students to test their aptitudes and fondness for the profession. Former MHS students who had worked on school publications have entered newspaper work.

At intervals between reading newspapers and keeping alert for news stories and features to break, the journalists worked on the *Crescent*, typing, selling advertising, writing copy, compiling the index, and keeping the records.

The juniors on the bureau attended Saturday workshops and clinics, where they met and talked with other journalists and heard speakers of note discuss job opportunities in the field and problems common to those working on publications.

Linda Bates, and Jacqueline Sanor; Typists, Linda Wyatt, Kathy Strait, Sandra Harsh, Wilda Critchfield, Carol Betz, Linda Coutts, and Marla Barnett; Adviser, Miss Frances Hazen; Consultant, James Smith.

Initial plans for the 1960 Crescent were made when the yearbook's editorial staff met at the home of its adviser early in the school year. At that time the theme, dedication, and many ideas were discussed. Early deadlines were met by the staff in order to lower the cost of the book by the reduced rates which were offered.

CRESCENT BUSINESS STAFF

FRONT ROW: Deanna Cole, Verla Myers, Gaye Lee Morehead, Jackie Sanor, Linda McMacken.

Dealing with a project whose product is to be prized for years and years, the Crescent staff is faced with a great responsibility. This responsibility can be met only by hard work, enthusiastic effort, and full cooperation.

The members of the 1960 Crescent staff are indebted to Miss Hazen for her guidance and to James Smith, faculty consultant, who so kindly offered his services.

They are also grateful for the cooperation received from all students, faculty members, school administrators, and people of the community who have helped in the publication of this book.

The staff hopes that this book will serve as a stimulus to the memory of all the happy days at Minerva High. It is hoped that this book will be cherished for many years by all students and faculty members.

The Girls' Athletic Association provides an opportunity for girls to develop their interests in various sports. Physical fitness and good sportsmanship are the club goals.

On December 5 Judie Wilson, Janet Wunderle, Kaye Brothers, Karen Rue, Sandra Paxton, Janice Guest, Edith Hiddleston, and Evelyn Hamilton represented Minerva

at Glenwood's Play Day. Perry, Jackson, Central Catholic, and McKinley were a few of the schools participating.

Baseball, powder puff-football, volleyball, basketball and bowling were the major sports played during the year. The club also scheduled a basketball game with the alumnae.

Participation in the club's activities adds points to the individual's record. The annual awards' picnic was held at the close of the school year. The highest award, a GAA key on a chain, letters, and numerals were distributed to the deserving members. Next years officers were elected following the supper.

QUEEN, DEANNA COLE

MHS Football Queen for 1959-60 was a senior Deanna Cole. She was crowned by Paul Dourm, captain of the football team, at the Homecoming game October 16.

Deanna was chosen by the football team to commemorate its victorious season. Members of her court were chosen by their respective classes.

As Deanna was being escorted by Paul through the arch formed by the batons of the majorettes, the band played "Sweetheart of Sigma Chi." Head cheerleader Judie Kae Harsh presented Deanna with a dozen red roses. The attendants were presented with bouquets of white mums.

The junior class sponsored a dance in honor of Queen Deanna in the high school gymnasium.

The student body elected Judy Flitcraft as May Queen. Judie Kae Harsh as runner-up was chosen Goddess of Minerva.

May Day honored Queen Judy and her court with a flight around the world. The May Day missile was launched from the football field on May 14. It flew across the United States and orbited over Denmark.

Next the missile crossed a flat terrain and flew over the Holy Land. After a short time it orbited over very mountainous country, the Balkan Mountains.

The May Day missile covered the miles very rapidly and suddenly — there was Japan.

Having sped over the Pacific Ocean and the South Sea Islands, the missile orbited over the Philippines.

At last the missile was back in the United States — the 50th state of the union, Hawaii.

The May Day missile completed its journey around the world and landed on its previous launching spot.
